commercial boats

On all the river network managed by North-East Directorate of VNF, all commercial boats must announce their entry onto the network or their departure from one of the ports situated on the network, giving their destination to the regional announcement centre (free phone no. 0 800 519 665), which will take calls every day it is open until 3 pm for trips beginning the next day.

Activate the navigation mode or calculate your itinerary with this application. Freight boats wishing to benefit from on-demand passage (outside of the free sailing hours, and within the authorised sailing hours) must submit a request to the regional announcement centre before 3:00 p.m. for a voyage starting the following day.

Narrow gauge

in the low season: from 1^{st} January to 31^{st} March and from 1^{st} November to 31^{st} December

On all the narrow gauge network managed by the Service de la Navigation du Nord-Est of VNF, all leisure boats must announce their entry onto the network or their departure from one of the ports situated on the network, giving their destination to the regional announcement centre (free phone no. 0 800 519 665), which will take calls every day it is open until 3 pm for trips beginning the next day.

in the high season: from 1st April to 31st October

On the not automated sectors of the narrow gauge network, leisure boats must request their locking for the following day before 3 pm to the employee taking charge of them, or by calling the command centre for the Meuse canal (stopping place in the evening and time of setting off again the next day).
